परिपत्र / Circular

विषय: राष्ट्रीय जल अकादमी, केन्द्रीय जल आयोग, पुणे में “Distance Learning Program (Moderated Course) in Advanced Hydrology, Modeling & Forecasting” विषय पर 23 March – 05 June 2026 के दौरान दूरस्थ प्रशिक्षण कार्यक्रम का आयोजन - नामांकन संदर्भ में।

National Water Academy, Pune in association with World Meteorological Organization (WMO) is conducting “Distance Learning Program (Moderated Course) in Advanced Hydrology, Modeling & Forecasting” during 23 March – 05 June 2026.

This program is completely online which do not require attending classroom sessions and any leave from the office. The list of accepted nominations (Annex-I) attached.

The program will be in 2(two) parts. One is for Autonomous course (self study), which will start on 23.03.2026 and end on 08.05.2026. The other part will be for Moderated course, which will start on 11.05.2026 and end on 05.06.2026. The participants have to successfully complete part-1 on their own. On successfully completion of each module of Autonomous course, participants will be awarded a badge automatically.

The part-2 will have the live sessions and online communications with the expert faculties with assignments and quizzes. Part-2 will be available to the participants who have successfully completed the Autonomous course (Part-1).

The procedure for enrolment in the course website is being shared separately.

The Course website will be accessible round the clock (on all days including holidays) during the program.

The activities will be monitored by the Course Coordinator and only those participants who complete all stipulated activities (of Part-I & Part- II) will be awarded the “Course Completion Certificate”.
